

WH OH55

Item no.: 5865

Outdoor wall mount, display specific for Samsung OH55 series

The WH OH55 is a highly weather proof outdoor wall mount, which was developed specifically for the Samsung OH55 outdoor screen series.

The Samsung OH screens are already water proof and dust proof according to the IP56 standard and can be used in an ambient temperature range from -30 °C to +50 °C. In addition, the display front consists of 5 mm thick, robust protective glass, which has been certified with IK-10 (IK = European impact resistance level).

The screen mount is display specific. It can be mounted in portrait or landscape orientation.

The surface of the wall mount is finished with a highly weather proof, corrosion resistant plastic powder coating in black (RAL 9005).

Note: Installations in the immediate vicinity of the coast or in particularly corrosive environments may require enhanced corrosion protection. Please contact us to discuss a suitable design.

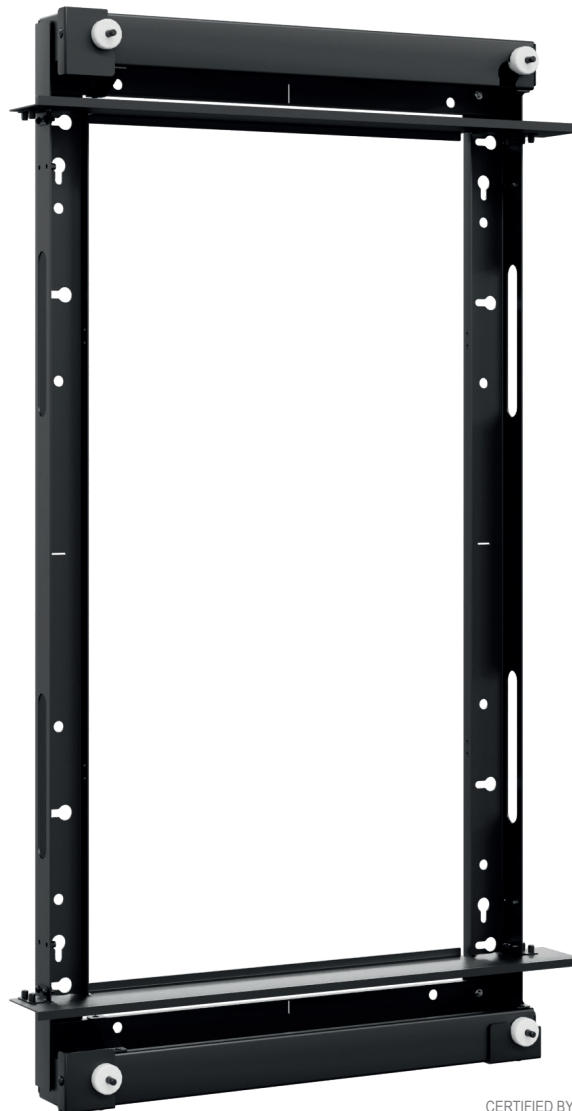

Portrait or landscape format possible

Option: Cover Set WH OH55 | Item no.: 5870

Also usable as an outdoor totem thanks to an optional extension
