fsp250-50gub_fan

This Flex ATX PSU has a real power rating of 250W (continuous). Due to its small dimensions it is ideally suited for Mini-ITX applications. The small 4x4cm fan has a double ball-bearing to extend its lifetime and it's located on the inner side to reduce the noise level. GUB series also protects your PC by providing complete protection (OCP, OVP/UV, OPP and SCP).

The 80 PLUS® Bronze certification also meets the Energy Star Version 6.1 Power Supply and Power Management Requirements for Computers: Effective September 10th, 2014.

Features:

- 80 PLUS® Bronze certified (115V)
- Full Range & Active PFC
- Low ripple & noise
- OVP, UVP, OCP, OPP and SCP protection
- Double ball bearing fan
- Flex ATX (40x80x150mm)

Specifications:
