

Card Reader for XQD / SD / Micro SD memory cards + USB Type-A port

Description

The card reader by Delock can be used for reading and writing **XQD, SD and Micro SD memory cards**. The card reader can be connected to a PC or laptop via the **USB Type-A interface**.

Integrated USB port

Due to the integrated USB Type-A connector, USB devices can still be used when the card reader is connected to the PC.

Small sturdy helper

Due to its **small dimensions and its sturdy housing**, this Delock card reader is particularly suitable for travelling. It can simply be packed into the bag together with the laptop or tablet and used as needed.

25 cm

Item no. 91756

EAN: 4043619917563

Country of origin: China

Package: Retail Box
