

Cooling every corner. Full flavour in every bite

Texture of your ingredients protected in every corner with Cooling 360°. All-around air circulation flows cold air in every corner, through efficient air vents. Innovative real stainless-steel back restores temperatures quickly after every open door. For lovingly sourced produce kept mouth-watering.

Product Benefits & Features

Every corner. Thoroughly chilled. With Cooling 360°
Cooling 360° fridge features advanced air circulation. The specially designed system circulates cool air into every corner. Real stainless-steel back, brings a premium design, while cooling down faster after door opening. Confidently protecting the rich texture of each ingredient.

- LCD touch display
- Coolmatic
- 404 litre gross fridge capacity
- 358 litre net fridge capacity
- Auto fridge defrost
- Precision cooling system
- Full width covered dairy compartment
- Reversible door

Quick-opening doors. Minimum-effort accessibility
Easy access to the fridge with the quick-opening door system. The fridge actively supports the opening effort through a system that pushes the door outwards as the handle is pressed.

Adaptable for every taste, with CustomFlex®
Keeping all your fresh ingredients to hand is key to creating fresh, delicious dishes. With CustomFlex® you can organise your fridge storage just the way you want. Rearrange bins quickly and easily to maximise storage space. The fridge that adapts after your taste.

Extra Chill drawer. For delicate fresh cuts

Slow down the maturation of your favourite cheeses and cold cuts by storing them in the Extra Chill drawer. The zone maintains a lower temperature than the rest of the fridge.

Ten-years peace of mind

Ten-year warranty on the Compressor provides maximum peace of mind. The warranty includes labour, transportation, gas removal and refilling, general maintenance, and service costs.
