### Physical Description

**Wireless LAN**
**IEEE 802.11 1T1R**
**Wi-Fi Protected Setup**
**Ad-HOC Mode and Infrastructure Mode**
**WEP (64/128), WPA-PSA (TKIP/AES), and WPA2-PSK (AES)**
**External Antenna**
**LAN: 10Base-Tand 100Base-TX RJ-45**
**4 USB Ports: US8 2.0 Hi-Speed Type-A**
**Power Switch: On and Off**
**Init Button**
**DC Jack: DC 12V**
**LED Indicators: Power, WLAN, LAN, USB1, USB2, USB3, USB**
**Microprocessor: Ralink RT3350 MIPS 320MHz**
**Non-Volatile Memory 4Mbytes**
**DRAM: 16Mbytes**
**Dimensions: W128mmxD:99mrn(119mm with Antenna)xH:25mm**
**Operating Temperature and Humidity: 5°-40°C. 0%-70%**
**Network Protocols:IPv4TCP/IP**
**Configuration: TFTP DHCP. UPnP. HTTP. Remote Firmware Upgrade, Restart, Reset Factory Default**
**FAT32, FTP Server, and Unicode SMB/CIFS Server**
**USB Hub Extension Supported**
**Maximum USB Devices Supported: 127**
**PC Utility: Windows 2000/XP/VISTA/7, MacOSX 10.X**
**AC Adaptor: Input AC100V-240 / Output DC12V**

The LCS-US204 USB device server supports the following types of USB devices.

- USB Printer
- USB multifunction printer (MFP/AIO)
- USB scanner
- USB storage (like USB external HD, flash disk, and digital camera)
- USB speaker
- USB camera
- USB digital TV tuner
- USB webcam
- USB CD
- USB DVD
- iPod
- iPhone
