

POWER SUPPLY

# MAG A750BN PCIE5 II

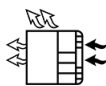

YOUR POWER, RIGHT AWAY

## SPECIFICATIONS

|                       |                                                 |
|-----------------------|-------------------------------------------------|
| Efficiency Rating     | 80 PLUS Bronze (up to 85%)                      |
| Modular               | No                                              |
| Fan Size              | 120 mm                                          |
| Fan Bearing           | Hydraulic Bearing                               |
| Dimensions (DxWxH)    | 140mm x 150mm x 86mm / 5.51 x 5.9 x 3.38 inches |
| PFC Type              | Active PFC                                      |
| Input Voltage Range   | 100-240V~                                       |
| Power Watt            | 750W                                            |
| Power Excursion       | 200%                                            |
| Input Frequency Range | 50-60Hz                                         |
| Protection            | OVP, OCP, SCP, OPP, UVP                         |
| ATX (24 pin)          | 1                                               |
| EPS (8 pin)           | 1                                               |
| EPS (4+4 pin)         | 1                                               |
| PCI-E 5.1 (16 pin)    | 1 (450W)                                        |
| PCI-E (6+2 pin)       | 3                                               |
| SATA (15 pin)         | 3                                               |
| PERIPHERAL (4 pin)    | 2                                               |

## FEATURES

### Optimized Air Flow

Can install up to 6x system fans, providing ventilation and stable performance to the whole system.

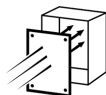

### Magnetic Filter

The magnetic dust filter on top is designed to give users an easy uninstalling and cleaning experience.

### 1 to 6 ARGB LED Control board

Bundle with 1 to 6 ARGB LED control board that gives you more ways to decorate your gaming rig.

### Tempered Glass

Premium-grade 3mm thick tempered glass that guarantees window durability and viewing capability.

### ARGB Fan

Built-in ARGB fan with striking lighting and vivid lighting effects.
