Pro-Tower M Dual

Mobile floor stand

Item no.: 2877

The Pro-Tower M Dual is a mobile floor stand which is suitable for screens with a size of 46 - 55” | 117 - 140 cm to be mounted side-by-side.

The VESA mounts can be equipped in landscape orientation from min. 200 x 200 mm up to max. 600 x 400 mm.

The VESA mounts can be mounted at two heights and has an inclination adjustment (Tool needed).

Cables can be securely held in place using a rear cable management system if required.

The back cover can be revised and offers a mounting option for e.g. a mini PC.

Lockable, easy rolling heavy duty castors ensure the necessary mobility on the one hand and a secure stand on the other.

Handles on the back provide a stable grip point when changing locations, making it easier to pull and push the entire system.

The maximum load capacity is 2x 35 kg.

AV shelf included (optional use)

Integrated power strip from Bachmann

Rear cable management system
