

WM75 Ultralight Gaming Mouse, RGB, white

DELTA CO GAMING

- Adjustable DPI (400-6400)
- 70 G Ultralight design
- Quick Response time (1ms)
- Huano Switches for crisp clicks
- Software for custom settings
- Rubber coated side grips
- 1.8m braided USB cable

Enhance your gaming experience with this ultra-lightweight RGB gaming mouse. Its lightweight design makes it comfortable to use for hours on end, while the RGB lighting adds a stylish touch to your desk. Whether you're just gaming casually or you're a professional player, you'll be able to dominate in the game and make quick decisions in a second.

Ultralight and adjustable

Experience precision and accuracy like never before with this ultralightweight gaming mouse. Weighing in at only 70g, this mouse is perfect for gamers who demand the best. With a DPI range of 400-6400 and a polling rate of 1000 Hz, you'll always be in control no matter how intense the game gets. You can change the DPI on-mouse or in the software.

Huano Switches

With the Huano Switches, you can expect a crisp click with long-lasting durability and excellent response, making sure you get the most out of your gaming experience.

Personify with RGB Lighting

This gaming mouse offers the perfect balance between personal style and comfort. Set your RGB lighting to match your mood and experience the comfort you get with the rubber-coated side grips.

Customize with the software

And that's not all. The included software allows you to customize the DPI, the energy-saving mode, adjust the RGB lighting to match your mood or set smooth macros to program a series of actions or commands with a single button press, and much more. Switch between up to 4 different profiles for ultimate flexibility based on your game or mood.

Braided cable

The braided cable provides water-resistant features that extend durability and increase safety as it is more durable than a non-braided cable.
