S-703

The **S-703** is a high-quality desktop/micro-ATX case, which offers great design space in a compact size.

Its fold-out drive cage offers the option of easily installing a Slim-DVD drive in addition to 2.5" and 3.5" hard drives. The 3.5" hard disks are also attached vibration-damping.

A great variety of interfaces are located on the front panel. In addition to the mandatory ports for USB 2.0 and 3.0, you also have a USB 3.0 Type C port and an SDHC/MMC card reader available. The cage made of 0.8mm thick steel as well as the high-quality painting completes the package and makes the S-703 a true all-rounder.

✓USB 3.0 Type C connector
✓SDHC/MMC card reader
✓high quality (0.8mm steel)
✓can be positioned horizontally or vertically

Specifications
