

# Logitech Brio 4K Business Webcam

Brio 4K is a professional ultra HD business webcam that helps you meet like a pro in every video call. Stream crystal-clear video up to 4K with beautiful colors and RightLight 3 auto light correction, or get up to 90 fps high frame rates at 720p. Also features Windows Hello support, autofocus, adjustable field of view, and 5x digital zoom<sup>(3)</sup>.

## WHAT'S IN THE BOX

- Webcam
- Removable mounting clip
- Privacy shutter
- USB-A to USB-C cable
- User documentation

## FEATURES

- Spectacular video quality: Streams with superb resolution, frame rate, color, and detail, featuring autofocus and 5x digital zoom; this Ultra HD webcam supports up to 4K at 30 fps
- Windows Hello support: Powered by both optical and infrared sensors, Brio 4K enables fast and secure facial recognition for Windows Hello; simply look into webcam lens for Windows login
- Adjustable field of view: Choose from three dFOV presets to perfectly frame your video; frame an ideal head and shoulders view with 65° diagonal, and more of the room with 78° or 90° diagonal
- Look great in any light: This professional webcam for PC features RightLight 3 technology that automatically adjusts exposure and contrast to compensate for glare and backlighting
- Sound excellent anywhere: With dual omnidirectional microphones and noise-canceling tech, this webcam with microphone captures clear audio from up to 1.2 meter away while reducing background noise
- Make it your own: The Logi Tune app simplifies external webcam control with zoom in/out, color presets, color adjustments, set manual focus, and easy firmware updates <sup>(3)</sup>
- Enterprise-ready: Certified for Zoom, Google Meet, and is compatible with other popular meeting apps. Easily deploy and manage this USB webcam with Logitech Sync<sup>(3)</sup>
- Attachable privacy shutter: Switch to privacy mode in an instant with the attachable privacy shade that flips up and down over the lens of the web camera

(1) With third party adapter (not included)

(2) Tripod not included

(3) Requires Logi Tune downloaded on individual device. Logi Tune only available on Windows and macOS. Download or view software compatibility at [logi.com/tune](https://logi.com/tune)

(4) Excludes plastic in printed wiring assembly (PWA), microphone, cable, and packaging
