

Choose the colour matching your personality the best and follow your daily rhythm in style. ACME ACT101 Fitness activity tracker comes in three different colours as well as features sleek design to fit perfectly your wrist. In addition to that, it counts your steps, distance and burnt calories, informs about incoming calls as well as messages. All the info may be accessed by a single tap on the screen or seen in the mobile app. No need to mention convenient charging – simply take off the band and plug the body of the tracker to any USB slot.

## Features

### Convenient charging

Simply take off the band and plug the body of the tracker to any USB slot to charge it

### Touch button

Responds to the touch to display time and date, amount of steps and burnt calories, distance, etc.

### Pedometer
