Wired Microphone | Clip-On | Lavalier | 3.5 mm | Metal

General information

Attach this Nedis® clip-on microphone to your shirt or jacket during a presentation or interview. It is omnidirectional and offers the perfect sound reproduction, thanks to the included windscreen, which filters out noise.

On-the-go reporting solution
You will have both your hands free, which also makes this lavalier mic a perfect solution for reporting, vlogging or making YouTube tutorials, just to name a few. As it connects via a 3.5-mm contact, it is compatible with a broad variety of devices such as smartphones, cameras, tablets and PCs.

Features

• Wide compatibility - works with any computer, smartphone or other device with a microphone input
• Plug and play - no need for batteries, app downloads, or configurations
• Frequency of 50 Hz ~ 16 kHz - optimal recording experience
• Cable length 1.8 m - for ample freedom of movement
• Versatile - suitable for vlogging, film making, gaming, Skype conversations, webinars, podcasts, interviews and much more
• Metal body - durable
• Including audio splitter and travel pouch
