Wired Numeric Keypad | USB | Black

General information

Say good-bye to struggling to type accurately on your notebook when you attach this numeric keyboard with full-size keys.
The 1.5-metre USB connecting cable lets you position the keyboard for maximum comfort, while the multimedia functions and easy-to-use number keys (with illuminated number lock) place everything just where you need them.

Features

• Full-size numeric keyboard - with illuminated number lock
• Multimedia function keys - making everything easy to access
• 1.5 metre USB cable - so you can position the keyboard just where you need it
