

Qoltec Uninterruptible Power Supply | Monolith | 600VA | 360W | LCD | USB

Product code: 53951

Qoltec UPS Line Interactive is a modern and economical device that ensures stable operation of the computer even in the event of a power cut.

It's perfect for anyone who wants to have control over the stable operation of their devices regardless of fluctuations in the power supply.

Discover safe energy

Each of us has had to deal with low tensions at home or at work more than once. Sometimes they only have the effect of needing to restart the computer. But how many times as a result of such an event have you lost important unsaved data or encountered a device failure?
If the above situations are familiar to you, we have a solution, thanks to which the problems of voltage decay or voltage drops will not apply to you. Qoltec UPS uninterruptible power supply is a solution that provides a constant supply of energy necessary for the stable operation of your computer.

Appearance and functionality

The built-in LCD display guarantees easy management of the device operation. Thanks to this, you regularly receive information about the status of work and parameters, making work easy, fast and reliable.

Efficiency

BUILT-IN BATTERY

UPS is equipped with a maintenance-free battery that provides stable operation during an emergency power supply. During this time, you will save important data on the disk. The process of charging the battery to 90% efficiency is 6 hours.

Improve the quality of work

Our power supply additionally offers:
- automatic voltage regulator (AVR) is a device designed to regulate voltage automatically,
- overload protection, short circuit protection and high-temperature protection,
- USB port - thanks to the UPS management software, you can monitor its operation on an ongoing basis and adapt it to your needs,
- RJ-45 port - provides security against overvoltage via LAN.

Confidence confirmed by a warranty	You value the quality of purchased equipment so our projects and solutions are focused on meeting your expectations. Each UPS Line Interactive is covered by 24 months warranty.
