

Surface 3 and Surface 3 (4G LTE)

Fact Sheet
April 2015

Meet Surface 3, the best of a tablet that works like a laptop. Equipped with the full Windows experience for maximum functionality and productivity, Surface 3 is ideal for students, schools and professionals on the go. It starts at just AUD \$699.¹

Top features and benefits

- **The best of a tablet.** With a fanless design and up to 10 hours of video-playback along with a beautiful screen, integrated kickstand and stereo speakers with Dolby® Audio-enhanced sound, Surface 3 offers hands-free entertainment wherever you go.
- **Works like a laptop.** Full Windows, multiple ports and the ability to run desktop software and click in a Surface 3 Type Cover² make Surface 3 an ideal productivity device for school, work, home and on the move. You can also enhance your productivity with the Surface 3 Docking Station.³
- **The programs you want.** With full Windows 8.1 and a free upgrade to Windows 10⁴ when it's available, Surface 3 is compatible with virtually all your favorite software and lets you run apps and desktop software side-by-side. It also includes a one-year Office 365 Personal subscription and OneDrive storage,⁵ so you can create, share, edit and present the way you're used to.
- **The performance you need.** With the new quad-core Intel® Atom™ x7 processor⁶ — the highest-performing processor within the Intel Atom processor family — for outstanding performance and long battery life, Surface 3 runs everything from apps for Windows to desktop software and offers the perfect balance of power and mobility in a lightweight, versatile form.

³ Surface 3 Docking Station sold separately.

⁴ Free upgrade to Windows 10 for qualified Windows 8.1 devices that upgrade in the first year. More information and additional offer terms available in the coming months. See http://windows.microsoft.com/en-us/windows-10/about?ocid=WIN10_0_WOL_Hero_Home_Windows-10_Null_01 for more information.

⁵ Available on Surface 3 with Windows 8.1 purchased prior to Dec. 31, 2015. While supplies last. Office activation required within six months of Windows activation date.

⁶ Intel, Intel Atom and the Intel logo are trademarks of Intel Corporation in the United States and other countries.

- **Write, draw and create.** Note-taking is just a click away with the optional Surface Pen.⁷ Mark presentations, PDFs, term papers or proposals just like you would on paper, or easily convert your handwritten notes to text in OneNote.
- **Full HD screen.** With a 10.8-inch 1920x1280 resolution multi-touch display and 3:2 aspect ratio for comfortable viewing, Surface 3's screen builds on the innovative design of the Surface Pro 3 display and is the brightest and most accurate Surface has ever made.
- **High-definition cameras.** Two 1080p HD cameras, including a rear-facing 8 megapixel auto-focus camera and a 3.5 megapixel front-facing camera, capture beautiful images and videos of what's important to you — everything from people to documents.
- **Constant connectivity.** The addition of Surface 3 (4G LTE), a 4G LTE-ready model,⁸ offers added flexibility and usability. Perfect for on-the-go professionals or people who desire constant connectivity, it enables even greater access where there may not be Wi-Fi.
