

DREAM ZERO

The most emblematic coffee machine in our range for Home.

Without touching a line of its daring retro aesthetic silhouette and its world of colours, Dream has upgraded its technology to get the perfect cup at home. A machine built with the highest quality materials (aluminum, stainless steel, brass), and a minimum use of plastic.

A dream machine!.

Thermodinamic group. **Thermal stability**. Quality in cup. Less limescale build-up. Stainless steel circuit reduces limescale build-up. Unlimited steam.

Healthy 100%. AISI 316 stainless steel water circuit. No metal migration in water. Complies with European standard EN 16889.

Clean water. Here it is constantly renewed and clean for every coffee. The taste and smell of the coffee are unaffected.
