

Highspeed
with USB 3.0

FANTEC 225U3-6G.

The Fantec 225U3-6G is a compact hard drive case for the installation of a 6.4 cm (2.5 inch) SATA 1/2/3 hard drive or SSD, with full SATA 3 / SATA 6G support (depending on the used hard drive significantly higher speed of data transfer is possible, as in normal hard drive cases). Due to the quick and easy installation via Plug and Play the FANTEC 225U3-6G hard drive case is ready for use within seconds. No additional power supply necessary for operation. Power is supplied via the USB 3.0 port. The black aluminum case ensures ideal protecting of your datas even for mobile use as well as passive cooling the hard drive.
