

ALUTHERM SANI VERRE 800 WIFI WHITE

The Eurom Alutherm Sani Verre 800 Wifi White is a bathroom heater with a glass front. The Alutherm Sani Verre is also equipped with a towel holder. This makes the heater look stylish and modern, making it perfect for use in the bathroom.

With its 800 watts of power, it is still a powerful heater. The heater can be controlled via the integrated display, the remote control or the Eurom Smart app. The Alutherm Verre 800 Wifi White also has a thermostat, overturn protection and overheating protection.
