TWS One Color – wireless earphones with True Wireless Stereo technology

SKU: TEEARTWSCOLK

Wireless design with touch controls: Ideal for music and calls

True Wireless Stereo (TWS) technology offers a comfortable and completely wireless experience

The **One Color earphones** are the ideal choice for **music** and **calls**. They pair wirelessly with devices that support **wireless connections**. **True Wireless Stereo technology** ensures a stable and automatic connection up to 10 metres away from the paired device. Once they have been paired with your smartphone, tablet or laptop, **they will always connect automatically**.

Thanks to the charging case, you can recharge them easily wherever you are

You can listen to music and make calls for **3 consecutive hours** and, when the earphones run out of power, simply put them inside the **charging case** and they will be back at 100% in an hour and a half. The base can recharge the One Color earphones **up to 4 times**; when the case is also out of power, you can charge it using the **USB-A – USB-C cable**.

The touch controls are very convenient

The **touch controls** on the earphones allow you to quickly and easily manage music, calls and voice assistants.
