Description

The equip 650636 Economy TV Trolley is a cost-effective and versatile display solution designed for 37–70 inch flat-panel TVs and monitors. Built with a durable steel frame, it supports displays up to 70kg and is fully VESA compliant up to 600 x 400. Its mobile design makes it suitable for offices, classrooms, conference rooms, trade shows, and other professional environments requiring flexible screen placement.

The trolley includes an adjustable TV mount that allows users to set the ideal viewing height, along with a tilt function that improves visibility for presentations, meetings, and digital signage. A height-adjustable camera shelf enhances video conferencing clarity, while the equipment shelf provides convenient space for media players and accessories. The integrated cable clip system keeps wires neatly organized for a clean and professional installation.

Heavy-duty lockable casters enable smooth mobility and secure positioning when stationary. Easy to assemble and highly functional, the 650636 offers excellent value while maintaining dependable stability and mobility for everyday display needs.
