It goes where you go

The new frameless four-sided NanoEdge display keeps dimensions down to a minimum, giving VivoBook 14 a footprint that's appreciably smaller than its predecessor. It takes up less space on your desk, leaving more room for you. Life moves fast, and you'll need a laptop that won't weigh you down. VivoBook 14 has compact, travel-friendly dimensions and is incredibly 1.5kg light — simply slip it in your bag for true go-anywhere computing.

Give yourself a lift

Open up VivoBook 14 for a world of productivity and possibilities. Its precision-engineered ErgoLift hinge has a silky-smooth dual action that holds the display securely at any angle, and adds a 2° keyboard tilt to give you a perfect typing position every time.

Express yourself through color

VivoBook 14 is available in different finishes to suit your style. Transparent Silver provides a sleek and sophisticated look, or go for Slate Grey for a more understated approach. Set the trend with the uniquely iridescent Peacock Blue: a unique option that changes color when you look at it from different angles. If you really want to stand out, there's Coral Crush with its bright finish.

Making everything possible

Your future is what you make of it, and VivoBook 14 has the tools to help you every step of the way. With the AMD Ryzen™ 7 3700U processor and Radeon™ RX 540X discrete graphics at your disposal, you're ready for what lies ahead, be it productive multitasking, multimedia editing, or casual gaming. And with dual storage, you'll enjoy both superfast data performance and a large storage capacity.
