For a perfect hairstyle at home and on the go

The ECG Modifica Grigio Piccolo is a practical, reliable and stylish hair dryer that will serve you well not only at home but also on the go. Thanks to **its compact design** and **folding handle,** it saves space in your luggage. In addition, the package also includes **a fabric travel bag**, which protects the device from unexpected snares during transport. And the icing on the cake is **the universal voltage (120/230 V)**, thanks to which you can use this hair dryer in many different countries. In short, this hair dryer is an invaluable helper for everyone who wants to have a perfectly groomed hairstyle even outside the home. The dryer will also please you with **its high-quality plastic design** and **elegant design with a glossy gray finish**.

Powerful and flexible

Despite its compact design, this hair dryer boasts a high output of **1200 W**. It can dry your hair quickly and efficiently. At the same time, it gives you **two speeds** and **two temperature levels**, so you can adjust the air flow exactly to your needs. In addition, the **cold air** function allows you to effectively fix the hairstyle so that it stays in perfect condition for as long as possible.

Styling like a pro

The ECG Modifica Grigio Piccolo hair dryer is also equipped with **an air nozzle** that enables precise direction of the air flow. Thanks to it, you can easily create straight hair, natural waves, and a hairstyle with maximum volume - in short, what suits you best. So, whether you're at home or on vacation, the flexibility of this hair dryer opens the door to different types of styling.

Safety and comfort

This hair dryer is always safe to use, even in the event of a sudden blockage of the air supply. This is thanks to the integrated **fuse against overheating.** In addition, the hair dryer is designed to be easy to use - it has an ergonomic (**hammer**) **shape and a sufficiently long power cord (180 cm),** which gives you the necessary freedom of movement when drying your hair. The practical **hanging loop** makes it easier to store the hair dryer when it is not in use.
