Isn't it time to upgrade your gaming experience? Light up your gaming setup with this wireless transparent RGB mouse! Sleek design, vibrant RGB lighting, and a lightweight feel provide performance and comfort for all gamers.

Lightweight & Wireless

Experience precision and accuracy like never before with this wireless and lightweight gaming mouse with a wireless range of 10m. Weighing in at only 90g, this mouse is perfect for gamers who demand the best but don't want any cable-struggle. Stay competitive with the low-latency 2,4GHz wireless receiver.

Up to 60h of playtime

The battery capacity of 60 h let you play for hours without having to charge the mouse. If you need to charge it, you can charge-n-play at the same time.

Adjustable DPI

With a DPI range of 400-4 800 and a polling rate of 1000 Hz, you'll always be in control no matter how intense the game gets. You can change the DPI on-mouse or in the software.

Huano Switches

With the Huano Switches, you can expect a crisp click with long-lasting durability and excellent response, making sure you get the most out of your gaming experience.

Customized RGB lighting

The design showcases vibrant RGB lighting, which can be customized to match your setup and create the perfect gaming atmosphere.

Software for custom settings

And that's not all. The included software allows you to customize the DPI, the energy-saving mode, adjust the RGB lighting to match your mood or set smooth macros to program a series of actions or commands with a single button press, and much more. Switch between up to 4 different profiles for ultimate flexibility based on your game or mood.
