iF DESIGN AWARD 2017
Protect your home and keep watch over those you care about most. Kasa Cam is designed to deliver clear 1080p video the moment you start streaming, keeping you connected to your home anywhere you go.

# Features

"Alexa, show me the baby room camera."

Feel Like You're There

Not all 1080p cameras are the same. Kasa Cam is fine-tuned to deliver rich colors, balanced lighting and sharp video quality, even while live-streaming footage. Plus, it uses night vision to make sure you can monitor your home around the clock.

Control with Your Voice

Kasa Cam pairs with Echo Show, so you can use your voice to control it even when your hands are full.

Store Video for Free

Kasa Cam records every time it senses motion or sound and stores up to two days (1GB) of video on the cloud for free. Once saved, you can watch every video through the activity center in the Kasa app.

Personalize Security Camera

Kasa Cam makes it easy to keep an eye on your family with instant notifications and motion and audio detection. You can customize your Kasa experience with activity zones to only send alerts that matter the most to you.

Protect Every Pixel

We know your privacy is important to you, which is why every bit of your video is protected with industry-standard 128 bit AES encryption with SSL/TLS.

Easy Setup with the Kasa App

Get the camera up and running in just a few minutes by downloading the Kasa app and following a few simple setup instructions.

Specifications

Camera

Image Sensor: 1/2.7"(Φ6.6)
Resolution: 1920 x1080
Lens: F/NO: 2.0; Focal Length: 3.21mm
Viewing Angle: FOV = 130°

Audio

Audio Communication: 2-way audio
Audio Input & Output:
Built-in microphone and speaker

Video

Video Compression: H.264
Frame Rate: Up to 25fps
Video Streaming: 1080p
Audio Compression: AAC

Hardware

Ports & Connections: Micro USB port
Button: RESET button
Indicator LED: System LED
Adapter Input: 220-240VAC, 50/60Hz, 0.1A
Adapter Output: 5.0VDC, 1.0A
Dimensions (W x D x H):
3.1 x 3.1 x 5.4 in. (79 x 79 x 137mm)

Heat Dissipation Holes
Microphone
RESET Button
Removable Magnetic Cover
System LED
Micro USB Port
Magnetic Base

Network

Wireless Rate:
11Mbps(802.11b)
54Mbps(802.11g)
150Mbps(802.11n)
433Mbps(802.11ac)
Frequency:2.4GHz, 5GHz
Wireless Security: WEP, WPA/WPA2-PSK
Security: 128 bit AES encryption with SSL/TLS

Activity Notifications

Input Trigger:
Motion detection, audio detection
Output Notification:
Push notification

System

Regulatory Certification: FCC, IC, CE
System Requirements: iOS 9+, Android 4.4x+

Environment

Operating Temperature:
0°C~40°C (32°F~104°F)
Storage Temperature:
-20°C~70°C (-4°F~158°F)
Operating Humidity:
10%~90%RH non-condensing
Storage Humidity:
5%~90%RH non-condensing

Package Contents

Kasa Cam
Camera stand with magnetic base
Mounting screws
Power adapter
USB cable
