XILENT GLEAM Black / White

Xilence Xilent Gleam - Brilliant aesthetics, limitless power, gaming experience in new splendor! This case combines innovative functionality with an appealing design in black and white in ARGB aquarium style, which gives the gaming setup a unique shine.

ARGB aquarium style: The Xilent Gleam case features front and side panels made of high-quality transparent glass. The glowing ARGB fans inside provide a powerful visual display that transforms the gaming rig into a work of art.

Large interior: With plenty of space, the case is ideal for powerful components such as large graphics cards, water coolers and power supplies.

Versatile cooling options: Despite the glass front panel, the case ensures efficient airflow so that the system remains quiet and cool even under high loads. Water cooling and housing fans can also be mounted on the side.

Aesthetic design: The Xilent Gleam enclosure not only impresses with its performance, but also with its aesthetic appearance. The clear lines and sophisticated design are not only eye-catching, but also enable effortless cable management. It is also suitable for mainboards with connections on the rear.

Integrated graphics card holder: Keeps the graphics card safe and stable to prevent potential damage. The integrated graphics card holder contributes to the long-term stability of the system and supports the horizontal and vertical mounting of the graphics card.

The perfect choice for gaming: The Xilence Xilent Gleam case is the perfect choice for gaming, offering a combination of performance, style and functionality for an optimal gaming experience.

Highlights

- Front and side panel made entirely of transparent glass
- With a width of 245 mm and a depth of 485 mm, the housing offers more space for perfect air circulation
- Suitable for water cooling systems with 420mm, 360mm, 280mm and 240mm radiators on the side and top
- Space for large graphics cards up to a length of 455mm and for CPU coolers up to a height of 185mm
- XILENCE graphics card holder for horizontal and vertical (with riser cable set to be purchased separately) & tool-free graphics card mounting
- Easy installation of the HDD / ODD
- There is up to 36mm of space behind the mainboard for customized cable management
- Efficient, easily removable and cleanable dust filters at the top and bottom
- 2 x USB 3.0, 1x USB-C 3.2 Gen 2 in the top panel
- 4x 140mm ARGB case fans included
- Also suitable for mainboards with connections on the rear
- With integrated PWM/ARGB control board

Design

- Unique aquarium glass design
- Elegant look

Service

- Two-year manufacturer's guarantee
- Product development, design and quality control in Germany

Gaming Series

## Specifications

Case Type	Midi Tower
Case Dimensions (L x B x H in mm)	480 x 245 x 500mm
Metal Structure Dimensions (L x B x H in mm)	485 x 245 x 520mm
Package Dimensions (L x B x H in mm)	580 x 336 x 583mm
Mainboard-Compatibility	ATX, micro-ATX, mini-ITX
Formfactor PSU	ATX (not included)
Case Material	Steel (SPCC), black and white
Material Front Panel	Glass
Material Side Panel	tempered Glass
Multi-Media I/O-ports	2 x USB 3.0, 1x USB-C 3.2 Gen 2, HD Audio (Microphone + Audio)
PCI slots	7 + 2 vertical expansion slots
Drive Capacity	2x 3.5" / 4x 2.5"
Cooling Fan Support (mm)	Top: 3x 120mm / 3x 140mm Rear: 1x 140mm / 1x 120mm Bottom: up to 1x 120mm / 140mm Side: 3x 140mm / 3x 120mm Shroud: 2x 120mm
Radiator Support (mm)	Top: 420mm/360mm/280mm/240mm/120mm Rear: 140mm/120mm Side: 420mm/360mm/280mm/240mm/120mm
Hardware Dimensions (mm)	Cooler height: 185mm GPU length: up to 455mm PSU length: 220mm
SSD / HDD	SSD: Top 2x, Side 1x HDD: Front 1x (on PSU Shroud)
Internal 2.5" at the rear of M/B	SSD: 4x | HDD: 2x
Features	ARGB / PWM Control Board, ARGB Control Botton
Weight (kg)	11,3kg (Netto), 13,2kg (Brutto)
