

XGIMI

ElFin **1080p**
FULL HD

Making Little Moments Bigger

Sleek & Minimalist Design

No more lugging around a bulky projector. Elfin is only 5 cm (1.9 inches) high and weighs 0.9 kg (1.98 lbs), making it lightweight, compact, and easy to slip into your backpack.

FHD
800 ANSI

Big, Bright and Clear ¹

Regardless of the content, Elfin delivers the brightest crystal-clear visual experience for a projector its size, all displayed in FHD with incredible HDR10 color depth on an enormous 200" screen.

SOUND BY
harman/kardon
Dolby Audio

Sound by Harman Kardon

Equipped with dual 3W built-in Harman Kardon speakers, Instantly enhance your favorite music wirelessly via a Bluetooth connection or those laugh-out-loud YouTube videos with the high-quality sound they deserve.

Intelligent
Screen Adaption

Intelligent Screen Adaption

The simplest setup ever! Plug Elfin in, power it on rapidly with our fast boot function, and let the Auto Keystone Correction, Intelligent Screen Alignment, AI Obstacle Avoidance, and Autofocus perfectly adjust your display in seconds.

androidtv

Entertainment That Never Stops

Elfin provides seamless access to 5000+ apps, like HBO Max, Hulu, and Disney+. You can also stream your favorite content from any Apple/Android device with Chromecast built-in and enjoy easy voice control with Google Assistant.

Remark:

1. The brightness data is from the XGIMI Laboratory. Actual product brightness may differ based on the specific test software version, testing environment, and product version.

2. All parameters listed on this page are measured in a controlled test environment before the product is mass-produced. The results may vary based on individual user experiences, including different environments, usage conditions, and firmware versions.
