Road Helmet Viantor

Technology

- Multi Shell In-Mold for durable bonding of multi-part outer shell and shock-absorbing helmet material (EPS)
- Ponytail compatibility: Helmet well suited for braided hairstyles
- Good ventilation with 4 air inlets and 14 air outlets connected with flow channels
- Semi-enclosing plastic ring connected to the adjustment system for optimum stability and form-fitness
- ActiCage: Structural reinforcement integrated in the EPS to optimise stability
- Zoom Ace: Fine-adjustable adjustment system with non-slip adjustment wheel for individual fit

Tips

- The helmet is a high-quality and light beginner helmet in which ABUS has used many proven technologies from the professional sport
