TAFA7

Crafted for listeners

The FA7 brings perfectly timed high-fidelity sound to every listen. A natural performer, it delivers deep, well-controlled bass, clear mids, and crisp high-frequency detail across CDs, Wi-Fi streaming, internet radio, and more.

Philips Fidelio. Hi-fi micro music system.

- A natural performer across every source
- CDs, internet radio, podcasts on demand, DAB+/FM radio
- Spotify Lossless, Tidal Connect, Qobuz Connect

Perfectly timed, room-filling sound

- Tuned to the Philips Fidelio sound signature
- 5" glass-fibre woofers, 1" titanium dome tweeters
- Bi-amp active crossover. 120 W RMS @ 1% THD
- Timeless Fidelio design

Seamless in every way

- Hi-res streaming with Bluetooth® multipoint connectivity
- Auracast™ for multi-speaker set-ups
- Ports for your turntable and more
- Physical remote control and smart companion app

Highlights

Every source

High-quality audio over Wi-Fi is supported via Airplay2, Google Cast, Spotify Lossless, Tidal Connect, and Qobuz Connect. There's a CD player for your collection and you can listen to internet radio or podcasts on demand from around the world. You can also tune in to DAB+/FM radio, stream sounds via Bluetooth, and connect to external sources.

Philips Fidelio sound

Deep bass, clear mids, sparkling highs. You'll enjoy soul-stirring depth and crisp, detailed sound thanks to woofers with glass-fibre cones, titanium dome tweeters, and tapered bass ports. A bi-amp active crossover via the main unit ensures excellent dynamics and soundstaging.

Timeless Fidelio design

The brushed aluminium main unit pairs with high-gloss piano-black speakers, echoing the classic look of hi-fi separates. Magnetic speaker grilles covered in acoustically transparent fabric can be lifted away to reveal the precision-crafted drivers beneath. A clear colour display shows the source or station, as well as album art or song information.

Bluetooth® 6.0

Support for the LDAC and LC3 codecs lets you get the most from hi-res streaming, and Bluetooth® 6.0 brings you a faster, steadier connection that won't dip even if your household has heavy wireless traffic.

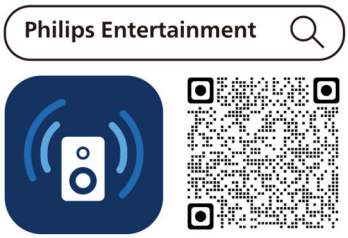

Auracast™

If you want even bigger sound, you can use Auracast™ to broadcast music from this micro system to as many compatible speakers as you like. You can also make the system a receiver and send sound to it from your record player. Setup is simple via our companion app.

Ports for turntables and more

The FA7 can bring warm Fidelio stereo sound to your turntable as well as your TV or console, and your digital music library. Connections include a USB-A port and an optical input, and you can wire up the Fidelio FT1 turntable via the RCA AUX-in port. There's a 3.5mm headphone output for your wired headphones too.

Physical remote, smart app

The FA7 comes with a nicely weighted physical remote control in the box. Or you can use the Philips Entertainment app to control playback, switch between sources, adjust the treble and bass, set up Auracast™, and more.

Specifications

Sound

Output power (RMS): 60W x2
Sound enhancement: digital sound control, bass reflex speaker system, treble and bass control, Custom equaliser (on app)
Volume control: rotary
Frequency response: 40Hz - 40kHz
Output power (MAX): 120W x2
Sound mode: Balanced, Warm, Bright, Powerful, Clear
Total harmonic distortion: ≤1%
Speaker impedance: 6 ohm

Loudspeakers

Driver configuration: 2-way
Number of sound channels: 2.0
Number of tweeters: 2
Number of woofers: 2
Tweeter Impedance: 8 ohm
Tweeter diameter: 1" (titanium dome tweeter with rear chamber)
Woofer diameter: 5" (glass fibre cone)
Woofer Impedance: 4 ohm

Connectivity

USB: USB host
Aux in: 1x (RCA L/R)
Bluetooth version: 6.0
Bluetooth profiles: A2DP, AVRCP, Multipoint (Multipair) support in classic BT connection
Bluetooth range: Line of sight, 30 m or 100 ft
Headphone jack: 1x 3.5mm
Audio in: 3.5 mm
Optical input x 1
Wi-Fi: 2.4 GHz/5 GHz, IEEE 802.11 a/b/g/n/ac
DLNA Standard: n.a.
Multiple speaker connection
Multiple speaker scenario: Broadcasting, Receiving
Multiple speaker technology: Auracast
Smart Home: Google cast, Spotify Connect, Tidal Connect, Qobuz Connect, Works with Apple AirPlay 2

Audio playback

Disc playback modes: fast forward/reverse, next/previous track search, repeat/shuffle/programme
Playback media: CD, CD-R/RW, MP3-CD, USB flash drive
USB Direct playback modes: fast reverse/fast forward, play/pause, previous/next, repeat, shuffle, stop
Audio supported formats: MP3, WAV, FLAC

Tuner/Reception/Transmission

Antenna: Detachable pigtail (75 ohm)
Tuner bands: FM, DAB/DAB+, Internet Radio
Station presets: 20 (FM) + 20 (DAB)
RDS: Yes.
Tuner enhancement: auto digital tuning, auto scan, Easy set (plug and play)
Tuner type: Digital

Convenience

Clock: On main display, 24/12-hour display
Remote Control
Loader type: tray
Buttons and controls: Power on/off, Source switch, Play/Pause, Auracast, Open/close, Treble and Bass control, Volume control, Menu, Stop/Favorite, Fast forward/next, Fast backward/previous
Display Enhancements: Brightness Control
Display type: TFT display
Sleep timer
No. of alarms: 2
Alarms: Yes, DAB, FM, Internet radio, Buzzer

Compatibility

Smartphone/tablet APP control

Power

Power consumption: <30W
Power supply: 100-240 VAC, 50/60 Hz
Standby power consumption: <0.8W (without Wi-Fi)

Packaging dimensions

Height: 34.3 cm
Packaging type: Box
Type of shelf placement: Standing
Width: 58.5 cm
Depth: 35 cm
Number of products included: 1
Gross weight: 12.1 kg
Net weight: 9.96 kg
Tare weight: 2.14 kg

Specifications

Accessories

Included accessories: AC power cord, FM antenna, Remote Control (with battery), Quick start guide, Warranty Leaflet

Power cord: Length 1.5 m

Design

Colour: Black aluminum (main unit), High gloss black (speaker box)

Wall mountable: No

System components: Main unit, Speakers

Dimensions

Main Unit (W x H x D): 240 x 127 x 270 mm

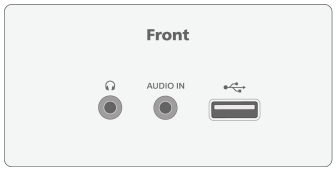

Main Unit Weight: 2.3 kg

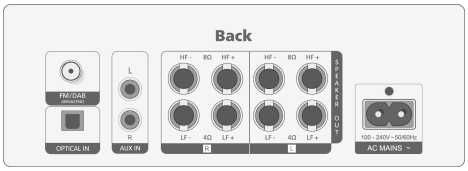

Speaker Unit (W x H x D): 180 x 268 x 225 mm

Speaker Weight (per Unit): 3.5 kg

Sustainability

Plastic shell: contains 60% GRS-certified recycled post-consumer ABS TE-00132492
