Built-In-Slicer AES 72 SR-H

for installation in standard drawers with a cabinet width of at least 50 cm

prerequisite: clear width > 392 mm

Distance bottom of drawer to top of worktop min. 165 mm, max. 210 mm

The built-in food slicer AES 72 SR-H made of full metal provides for more stability and top slicing results. The electropolished serrated blade slices even more precisely. The two-finger switch-on system increases safety.
Thanks to the bayonet quick-acting lock the blade may be taken off without tools for cleaning.

Version with high mount e.g. for handleless kitchens, reinforced worktops etc.

Features	- food sliced from right to left - silver metallic - full metal construction with high mount - serrated blade with electropolished polished surface, 17 cm ∅ - slice thickness adjustable up to approx. 14 mm - two-finger switch-on safety system - switch for intermittent and continuous operation - automatic folding lock when slice thickness is set - food collecting tray made of stainless steel - holding device / bracket for finger protector and remnant holder - folding up fixture locks automatically - VDE / GS approval, safety category 2, CE - 230 V, 65 W, duty cycle 5 min - weight 4,3 kg
Dimensions	height: 75 mm, width: 390 mm, depth: 365 mm
Optional	smooth ham- and sausage blade
Warranty	2 years, product made in Germany
Item No. / GTIN	546.005 / 40 04822 546056
