## FACTSHEET: VIENTO - Table Fan

The elegant **VIENTO** adapts to any environment thanks to its **practical design**. The device requires **no ventilation blades** and thus provides - **quietly and safely** - fresh air in the workplace or living room. Thanks to the practical **touch control**, the fan can be adjusted at **6 speeds**.

The **3D oscillation** ensures optimum distribution of fresh air. In addition, the unit has a remote control and **sleep mode** to provide fresh air at night.

Touchpanel
