

Qoltec Uninterruptible Power Supply | Monolith | 800VA | 480W | LCD | USB

Product code: 53952

Qoltec UPS Line Interactive is a modern and economical device that ensures stable operation of the computer even in the event of a power cut.

It's perfect for anyone who wants to have control over the stable operation of their devices regardless of fluctuations in the power supply.

Discover safe energy

The Qoltec UPS Line Interactive is a modern device that ensures stable operation of the connected computer even in the event of a power cut.
It will meet the requirements of anyone who wants to have control over the stable operation of their devices regardless of fluctuations in the mains supply.
The highest quality, wide range of operation, and a complete security system guarantee that it is an ideal solution. Our products are perfect for enterprises, educational institutions, offices and homes, where they are appreciated by both players and ordinary users.

Appearance and functionality

The built-in LCD display guarantees easy management of the device operation. Thanks to this, you regularly receive information about the status of work and parameters, making work easy, fast and reliable.

Efficiency

BUILT-IN BATTERY

UPS is equipped with a maintenance-free battery that provides stable operation during an emergency power supply. During this time, you will save important data on the disk or complete the next level of your game. The process of charging the battery to 90% efficiency is 6 hours.

Improve the quality of work

Our power supply additionally offers:
- automatic voltage regulator (AVR) is a device designed to regulate voltage automatically,
- overload protection, short circuit protection and high-temperature protection,
- USB port - thanks to the UPS management software, you can monitor its operation on an ongoing basis and adapt it to your needs,
- RJ-45 port - provides security against overvoltage via LAN.

Confidence confirmed by a warranty

You value the quality of purchased equipment so our projects and solutions are focused on meeting your expectations. Each UPS Line Interactive is covered by 24 months warranty.

Technical data

Producer	Qoltec
Rated capacity	800 VA
Usable power	480 W
Wave form	Modified sine wave
Transfer time	2-6 ms
Overload	> 100% alarm off
Range voltage	Input voltage: 140 Vac ~ 290 Vac (50 Hz 5 Hz) Output voltage: - battery mode: 220 Vac ~ 230 Vac 5% (50 Hz - 60 Hz 1 Hz) - wired mode: 220 Vac 10% (50 Hz - 60 Hz 1 Hz)
Usage	Home offices
Built-in battery	1 x 12V / 9Ah
Battery quantity	1
Battery voltage	12 V
Output sockets	1 x FRENCH (Type E CEE 7/5) 1 x SCHUKO (Type F CEE 7/3) 1 x USB type B (only for diagnostic) 2 x RJ45
Charging time	6 h to reach 90% capacity
Operating temperature	0°C ~ +40°C
EAN code	5901878539522

LOAD	Power backup time
100 W	20 min.
200 W	6 min.
300 W	2 min.
500 W	0 min.
1000 W	0 min.
