

ASUS ZenBook Flip S

Flexible performance, luxurious design

Flexibility and performance, combined

The distinctive ZenBook Flip S combines elegant sophistication with an all-new design that makes it more desirable than ever. Its sleek 4K UHD OLED NanoEdge display and 360° ErgoLift hinge make ZenBook Flip S ultra-compact and ultra-versatile, and the 11th Generation Intel® Core™ processor and Intel® Iris® Xe graphics deliver effortless performance for on-the-go productivity and creativity. ZenBook Flip S brings you flexibility and performance — with a touch of luxury.

Powered by Intel® Core™ i7 processor.

The art of perfection

ZenBook Flip S is supremely elegant, with Red Copper diamond-cut highlights that perfectly complement its prestigious Jade Black finish. A brushed-aluminum deco bar above the edge-to-edge keyboard adds a subtle finishing touch, creating a luxurious overall look that stands out from the crowd without being extravagant.

4K UHD OLED, ultraslim bezels

The brilliant up to 4K UHD NanoEdge OLED HDR display on ZenBook Flip S delivers exceptionally detailed and realistic visuals, with ultra-vivid PANTONE® Validated color accuracy and a cinema-grade 100% DCI-P3 color gamut. It's also VESA DisplayHDR™ 500 True Black certified for deep blacks and increased dynamic range, and provides TÜV Rheinland-certified eye care, making this immersive slim-bezel design a superb all-rounder for work or play.

Flex with style

The 360° ErgoLift hinge on ZenBook Flip S has a silky-smooth, stepless action that holds the display securely at any angle. The versatility of ZenBook Flip S allows you to work or play in any mode you choose: laptop, tent, stand or tablet. The ErgoLift hinge is also torture-tested to ensure maximum reliability for total peace of mind.

ASUS Pen and Windows Ink

ASUS Pen is an active stylus with a slim and elegant aluminum design that gives it a premium feel. It's the perfect creative accessory, allowing you to accurately draw, write or annotate in any supported app. Windows Ink lets you create sticky notes, or capture ideas and details — as they happen. You can even take and edit a screenshot, then share it with just one click.

ASUS ZenBook Flip S (UX371)

- **Up to 11th Gen Intel® Core™ i7-1165G7 Processor**
- **Windows 10 Pro**
- **Intel® Iris® X® Graphics**
- Up to 16GB LPDDR4 4266MHz RAM
- Up to 1TB PCIe® SSD
- **Up to 13.3" 16:9 4K UHD OLED (3840 x 2160) NanoEdge touchscreen**
- **4096 pressure levels stylus support**
- ASUS WiFi Master Premium supports
