TV Wall Mount "FULL MOTION 1"

for individual and flexible screen positioning

The SCHWAIGER® TV wall mount is an exclusive variant for attaching a flat screens. The traverse with three hinges is tiltable forward, axial rotatable, can be swivelled either to the right or to the left side and height-adjustable. The height adjustment and its

stability are realized by the integrated gas-spring technology. The wall holder allows highly flexible positioning for the best view on the screen.
