

FM Radio | Table Design | AM / FM | Battery Powered / USB Powered | Digital | 12 W | Screen size: 1.6 " | Black Blue

General information

Enjoy your favourite music stations or streaming music with this Nedis® retro FM radio with Bluetooth® connection. This table design radio combines a stylish wooden-look housing and is a great addition to every room because of the retro design.

The rich 2x 6 W peak power sound experience emerges from the incredible speakers. The 1200 mAh built-in battery will play music continuously for up to 4 hours on a single charge. In addition it can also play via the USB cable (adapter is not included) when the battery is low.

The control buttons provide the ultimate user experience switching between radio, Bluetooth® or AUX. You can also set the alarm with the alarm clock function which makes it a multi functional radio.
