

# Food Slicer E 118 built-in

for installation in swivel systems in floor cabinets min. 40 cm cabinet width

A classic amongst “smaller” appliances! Compact and stable for left-hand operation!

For optimizing the space in your kitchen! High practical value at a moderate price.

Lifting the swivel mechanism puts the slicer in front of the worktop, ready to use. The food slicer is compact and slicing from the left is not limited to left-handed users only.

(Swivel mechanism not included in delivery contents)
