

TURTLE PINK

DESCRIPTION

The Baracuda Turtle brings wireless freedom to your setup in a vibrant pink, white, or black finish, marking the first wireless mouse in the Baracuda lineup. Featuring the INSTANT S201C optical sensor with up to 3200 DPI, it delivers precise control for both gaming and everyday tasks. HUANO switches are built to withstand over 20 million clicks, while the lightweight 95 g build and ergonomic shape ensure comfort during extended use. The 2.4 GHz nano receiver guarantees a stable, lag-free connection, and the battery lasts up to 70 hours with lights off or 25 hours with the LED Rainbow effect on. Ready to use straight out of the box, no software required.
