

DELTA miro Frame 4-fold Dimensions 90x 90 mm electrical white

| Model                              |                  |
|------------------------------------|------------------|
| Product brand name                 | DELTA MIRO       |
| Product designation                | Frame            |
| Design of cover / flush design     | No               |
| General technical data             |                  |
| Surface processing                 | others           |
| Material                           | thermoplastic    |
| Protection class                   |                  |
| Protection class IP                | IP20             |
| Suitability                        |                  |
| <b>Suitability for integration</b> |                  |
| • underfloor duct box              | No               |
| • flush mounting                   | Yes              |
| Appearance                         |                  |
| Appearance                         | shiny            |
| RAL color number                   | RAL 1013         |
| Color                              | Electrical white |

## Product details

|                   |     |
|-------------------|-----|
| Product component |     |
| • Labeling field  | No  |
| • Hinged lid      | No  |
| Product feature   |     |
| • halogen-free    | Yes |
| • transparent     | No  |

## Number

|                 |   |
|-----------------|---|
| Number of units | 4 |
|-----------------|---|

## Mechanical Design

|                           |                         |
|---------------------------|-------------------------|
| Height                    | 303 mm                  |
| Width                     | 90 mm                   |
| Mounting position         | horizontal and vertical |
| Mounting type             | terminal mounting       |
| Material / of cover frame | plastic                 |
