Monitor arm for pole mounting ARM-0305, 17-32", up to 8kg, tilt, swivel, rotate, black

- 17-32"
- Up to 8kg
- Pole Clamp: attaches to circular tube firmly

The perfect mounting solution when conventional mounting isn't available. Mounted on this arm you can swivel your monitor from +90°~-90°, tilt your monitor from +30°~-30° and rotate your monitor from +180°~-180° to get the best angle for you to work with your monitor.

You don't necessarily need a wall or desk to mount a monitor. With our DELTACO Pole Mount Monitor Arm, all you need is a pole! This monitor arm integrate a clamp and adjustable monitor arm that mount quickly and easily to a 28~60mm(1.1"-2.4") diameter pole. It's the perfect mounting solution when conventional mounting isn't available. Mounted on this arm you can swivel your monitor from +90°~-90°, tilt your monitor from +30°~-30° and rotate your monitor from +180°~-180° to get the best angle for you to work with your monitor. Detachable VESA Plate Design: enables easy installation. Free-Tilting Design: makes easy forward or backward adjustment for better viewing and reduced glare. Swiveling Arm(s): offer(s) maximum viewing flexibility (makes every seat the best seat). 360° Rotation Around the Pole: provides optimal viewing. Cable Management: elegantly hides any cables that are attached to displays.
