

Supertiny GaN EU Plug User Manual

General Information

Rolling Square 65W Supertiny charger made with GaN (gallium nitride), a semiconducting material used in chargers to enable faster, more efficient power delivery with smaller, lighter components. The compact charger comes with a USB-C port that is compatible with a wide range of fast-charging protocols, including QC4+, PD3.0, QC3.0, SCP, FCP, AFC, and PE+. The charger offers up to 65W (20V 3.25A) of power from a single type-C1 port, enabling PD charging for most laptops. It is compatible with 22.5W SCP Huawei SuperCharge™ and supports fast charging for smartphones and tablets.

Specifications

Dimensions: 2.9x1.37x1.37 in / 72.7x35x35mm
Weight: 70g /2.5oz

Important Safety Information

01. Do NOT store your charger in heat, direct sunlight or near strong electromagnetic fields.
02. Do NOT store your charger near open flames or in other harsh conditions.
03. Do NOT open the charger's housing unless you're a qualified professional.
04. Do NOT throw, hit, drop, or allow any substantial impact to your charger.
05. If water gets into your charger, allow it to dry naturally before use

01

06. Surface may get hot during use.
07. This product should not be used by children without adult supervision.
08. This product is intended for indoor use only to charge compatible electronic devices via USB-C Power Delivery. Use the product only as described in this manual.
09. The charger may become warm during normal operation, especially at high power levels. Do not cover the charger and ensure adequate ventilation at all times. Do not place the charger on heat-sensitive surfaces.
10. Only use the charger with properly installed and easily accessible wall sockets. Do not use the charger with loose, damaged, or overloaded outlets.
11. If the charger becomes excessively hot, emits unusual odors, smoke, or shows signs of malfunction, disconnect it immediately from the power supply and stop using it.
12. This product is not a toy. Keep it out of reach of children. Use by children or persons with reduced physical, sensory, or mental capabilities is permitted only under supervision.
13. Always unplug the charger by pulling the plug, not the cable. Disconnect the charger from the power supply before cleaning and during thunderstorms.

Notice

FCC Statement This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and 2) this device must accept any interference received, including interference that may cause undesired operation.
Warning: Changes or modifications not expressly approved by the party responsible for compliance could void the user's authority to operate the equipment. **Note:** This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses, and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference

04

will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures: (1) Reorient or relocate the receiving antenna. (2) Increase the separation between the equipment and receiver. (3) Connect the equipment into an outlet on a circuit different from that to which the receiver is connected. (4) Consult the dealer or an experienced radio / TV technician for help. The following importer is the responsible party (for FCC matters only). Operation is subject to the following two conditions. (1) This device may not cause interference and (2) This device must accept any interference, including interference that may cause undesired operation of the device.
IC Statement This digital apparatus complies with CAN ICES-003(B)/NMB-003(B). **Declaration of Conformity** Hereby, Rolling Square SA declares that this product is in compliance with Directive 2014/35/EU & 2014/30/EU & 2011 /65/EU & 2009/125/EC & 2019/1782/EU. The full text of the EU declaration of conformity is available at the following internet address. <https://rsqr.ch/qr/ST65EUUM>. Hereby, Rolling Square SA declares that this product is in compliance with Electrical Equipment (Safety) Regulations 2016 & Electromagnetic Compatibility Regulations 2016 & The Restrict on of the Use of Certain Hazardous Substances in Electrical and Electronic Equipment Regulations 2012 & The Ecodesign for Energy-Related Products Regulations 2010. The full text of the GB declaration of conformity is available at the following internet address: <https://rsqr.ch/ar/ST65EUUM>. Rolling Square SA -

Your product is designed and manufactured with high quality materials and components, which can be recycled and reused.

This symbol means the product must not be discarded as household waste, and should be delivered to an appropriate collection facility for recycling. Proper disposal and recycling helps protect natural resources, human health and the environment. Warranty Information

05

This product is covered by a 2-year limited warranty from the date of purchase.

What's covered:

This warranty applies to any manufacturing defects in materials or workmanship under normal, intended use.

What's not covered:

- Damage due to misuse, drops, or accidents
- Exposure to liquids or extreme conditions
- Unauthorized repairs or modifications
- Normal wear and tear or cosmetic damage
- Use with incompatible devices or power sources

How to claim:

To submit a warranty claim, please contact us at

support@rollingsquare.com with:

- A valid proof of purchase
- Description of the issue
- Clear photos or a short video showing the defect

If the issue is confirmed as a manufacturing defect, we will offer a repair or replacement, free of charge. This warranty is non-transferable and only applies to products purchased through authorized channels.
