Neomounts tablet floor stand TABLET-S200SILVER for most 7.9"-10.5" tablets, lockable - Silver

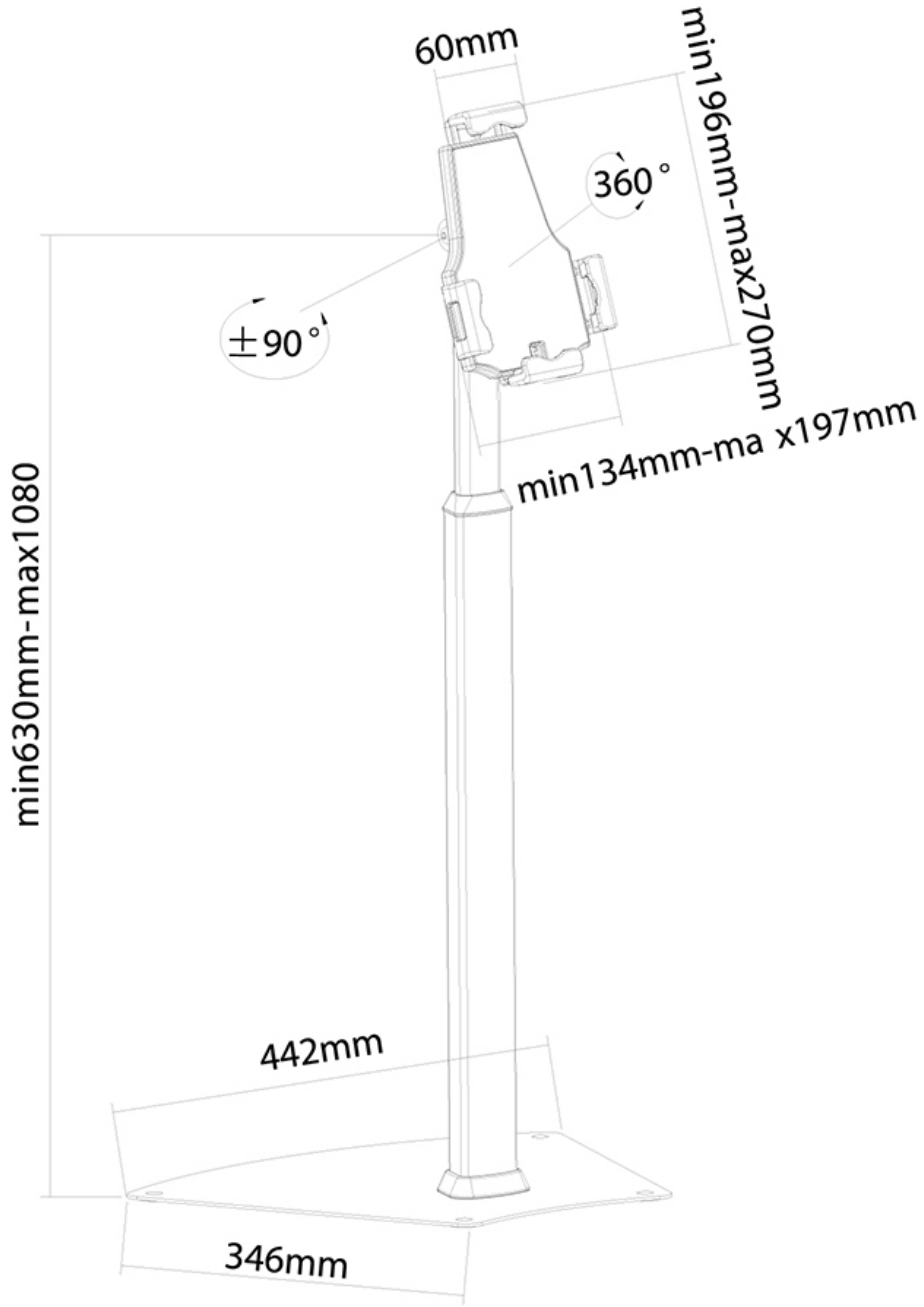

The Neomounts floor stand, model TABLET-S200SILVER, lockable tablet floor stand with lock, is designed for securely displaying in the public. Width adjustable panel allows to install most 7.9"-10.5" tablets. Invisible cable management inside the tube can make the wire organized better.

This mobile stand is a great choice for space saving placement or when wall-, ceiling mounting or desk placement is not an option. This stand stretches your investment by serving a variety of projection needs by sharing a tablet over multiple rooms, sales floors or trade shows. Get optimal positioning for both standing and seated audiences, in any application, in any part of your location.

Neomounts TABLET-S200SILVER is lockable, height adjustable from 63 - 108 cm and suitable for most tablets. Also this product can be used both vertical as horizontal. The stand has mounting holes to secure the stand to the floor using screws. The weight capacity of this product is 1 kg.

All installation material is included with the product.
