- Defrost and reheat modes to enjoy more options in one go
- Cancel button for instant shut-off
- Removable crumb tray for easy cleaning
- Made with safe materials that are PVC- and BFR-free

# Highlights

## 2 slot 830 W compact toaster

2 slot compact toaster with 830 W power, allows you to enjoy your toast exactly how you like it every morning.

## 8 browning settings

Various browning options allow you to toast different types of bread without the risk of burning. Adjust the browning setting to your preferences so that your toast is always just how you like it.

## Integrated bun rack

Thanks to the integrated bun rack, you can enjoy your favourite warm pastries, rolls and buns separate from your toast.

## Self-centring feature

The self-centring mechanism perfectly centres each slice for even browning results on both sides, regardless of the thickness of your bread.

## Defrost and reheat mode

With the defrost and reheat modes, you can defrost and toast frozen bread simultaneously or warm up previously toasted bread in seconds.

## Cancel button

The cancel button stops toasting at any time for safe and precise operation.

## Removable crumb tray

Crumb tray can be removed easily to make cleaning the toaster effortless.

## PVC/BFR free

Made with safe materials that are PVC- and BFR-free, with secured sealing technology to enable leak-free usage.

## Recyclable and Durable

Sustainably designed using 100% Bio-based plastics\*\* to reduce its CO2 footprint by 14%\*. This breakthrough material is sure to have a big impact on your kitchen while supporting a more positive outcome for the environment.

## Safe and Sustainable

100% Bio-based plastics\*\* are made from biological and renewable resources, like sunflower oil. Used oil left over from cooking is collected and recycled through an eco-friendly process to make it suitable for contact with food.

# Specifications

## Country of origin

Made in: China

## Weight and dimensions

Weight of product: 1.23 kg

Dimensions of product (LxWxH):

162 x 285 x 199 mm

## Design and finish

Colour(s): Silk white matte

## Technical specifications

Cord length: 0.85 m

Power: 830 W
