

Gaming Mouse | Wired | Illuminated | 4000 DPI | 8 buttons

General information

Never miss a shot with this precision eight-button Nedis® Gaming Mouse. With an optical resolution of up to 4000 dpi, this mouse offers all the exact control that gamers require. Switch between four settings depending on the game you are playing - from slow, precise shots to high-speed motion and mayhem.

The beautiful ergonomic design has not sacrificed comfort for durability: there's more than five million strokes in this mouse.

Connect it to your PC via the USB port and watch the backlights illuminate this stylish, sleek and essential gaming accessory.

Features

- Connects directly to the USB port of your computer
- High precision optical sensor with 4 settings up to 4000 dpi
- Durable design with a lifespan of over 5 million clicks
