### Processor and chipset

|                            |                                           |
|----------------------------|-------------------------------------------|
| Processor                  | Intel® Core™ i7-9700 Processor            |
| Chipset                    | Intel® B360 Express Chipset               |
| Cache                      | 12 MB                                     |
| Clock frequency            | 3.00 GHz (Up to 4.70 GHz Burst-Frequency) |
| Processing cores / threads | 8 / 8                                     |

### Storage and drives

|               |                                              |
|---------------|----------------------------------------------|
| Memory        | 16GB DDR4 RAM (2 x 8GB)                      |
| Maximum RAM   | Up to 64 GB Dual-Channel DDR4<br>2666 MHz    |
| Mass storage  | 1024 GB M.2 PCIe Solid-State-<br>Drive (SSD) |
| Optical drive | -                                            |

### IO ports

|                        |                                                                                        |
|------------------------|----------------------------------------------------------------------------------------|
| VGA ports              | -                                                                                      |
| DVI ports              | -                                                                                      |
| HDMI ports             | -                                                                                      |
| Displayports           | -                                                                                      |
| PS/2 ports             | -                                                                                      |
| PCI expansion slots    | 1x PCIe x16 Slot, 1x PCIe x1 Slot,<br>1x M.2 Slot (for SSD), 1x M.2 Slot<br>(for WLAN) |
| Audio ports back       | 3x                                                                                     |
| Audio Anschlüsse front | 2x                                                                                     |
| Rear USB ports         | 2x USB 3.1 Gen. 1, 4x USB 2.0                                                          |
| Front USB ports        | 1x USB 3.1 Gen. 2, 1x USB 3.1<br>Type-C                                                |
| Ethernet (RJ45)        | 1x                                                                                     |
| Cardreader             | -                                                                                      |

### Connections

|                     |                                             |
|---------------------|---------------------------------------------|
| WLAN                | Dual Band Wireless-AC. 802.11<br>ac/a/b/g/n |
| Ethernet technology | Gigabit Ethernet                            |

### Software

|                  |            |
|------------------|------------|
| Operating system | Endless OS |
|------------------|------------|

### Power supply and consumption

|                  |                       |
|------------------|-----------------------|
| Power adapter    | 500 Watt power supply |
| Power efficiency | EuP 82+               |

### Scope of delivery

|                   |     |
|-------------------|-----|
| Keyboard          | No  |
| Mouse             | No  |
| Guarantee booklet | Yes |
