REACH Compliance Declaration

Reference: REACH Regulation (EU)

Date: 04.08.2026

Recycling Fabrik GmbH · Steinriedendamm 15, 38108 Braunschweig, Germany

The Recycling Fabrik GmbH hereby declares that the recycled 3D printing filaments manufactured by our company comply, to the best of our knowledge and based on information provided by our raw material and additive suppliers, with the requirements of Regulation (EC) No. 1907/2006 (REACH).

This declaration applies to the following product groups:

- Recycled PLA Filament
- Recycled PETG Filament

STATEMENT

Based on current knowledge and information received from our suppliers, the above-mentioned products do not intentionally contain any substances listed on the current Candidate List of Substances of Very High Concern (SVHC) published by the European Chemicals Agency (ECHA) in concentrations exceeding 0.1% weight by weight (w/w), in accordance with Article 33 of the REACH Regulation.

The assessment is based on:

- Supplier declarations and compliance statements
- Safety Data Sheets (SDS)
- Internal material evaluations and quality control procedures

ADDITIONAL INFORMATION

As the products are manufactured from recycled materials, minor variations between production batches may occur. Recycling Fabrik GmbH maintains supplier qualification procedures and internal quality controls to ensure continued compliance with applicable regulatory requirements.

This declaration is issued in good faith and is based on information available at the time of issue.
