SHINY TWS earphones white

TRENDY AND CUTTING-EDGE HEADPHONES!

The unique shapes of the SHINY headphones have been designed to combine ergonomics and performance, while the sleek and ultra-compact design has made these headphones both light and comfortable!
Based on the biggest global trends in terms of fashion and colors of the year 2020, we have chosen 3 colors to dress the case and thus make it a fashion accessory in its own right.
In addition, thanks to Bluetooth 5.0 technology, it is possible to take advantage of an extended autonomy of approximately 5 hours as well as an even more faithful sound reproduction. The charging case provided with, will allow you to carry your headphones everywhere while charging them!
The back-up battery in the box gives you more than 25 hours of listening time.
The "touch control" function allows you to control your music or answer your calls simply by touching your headphones!
With the sensation of not wearing any headphones, the SHINY range offers you a new way to discover your music.
SHINY headphones are the latest technology at the forefront of fashion.
