

# LEGION Y540 (17)

## LAPTOP GAMING, FURTHER REFINED.

This 17.3" laptop gives you exactly what you need for a gaming experience that pushes performance and immersion further than ever-before. The most powerful generation of Intel® Core™ mobile processors makes the dream of AAA gaming on a laptop reality. Delivering a three-side narrow bezel design at up to 144 Hz in 1080p, the Legion Y540 Laptop pulls you into your favorite titles for breathtaking full high-definition gaming. Further the latest Intel® Core™ Processors, NVIDIA® GeForce® RTX™ Graphics, DDR4 Memory, Legion Coldfront Cooling system, a tool-free upgrading system and more come together for epic frame rates of your favorite AAA titles.

### WHY YOU SHOULD BUY THE LENOVO LEGION Y540 (17)

#### Gaming has a new look

At 25 mm thin and 2.8 kg light, the Lenovo Legion Y540 Laptop was redesigned to deliver the ideal balance between epic gaming performance and practical portability.

#### Take your games to the edge

With its thin bezels, the Lenovo Legion Y540 packs more than 2 million pixels into a near-edgeless 17.3" FHD display. Combined with up to 144 Hz refresh rate, 300 nits of brightness, and an IPS Antiglare screen, this laptop brings your favorite games to life.

#### Precision engineering, you can touch

The Lenovo Legion Y540 Laptop delivers a full-sized, white backlit and high-response keyboard and number pad to your hands with 1.7 mm of key travel for the most ergonomic and comfortable gaming experience.

#### 60 FPS and beyond

The Lenovo Legion Y540 Laptop delivers an even bigger edge with the Intel® Optane™ option to enjoy faster start-up times and quicker game launches. Take your games further with the latest generation Intel® processors, NVIDIA® GeForce® RTX™ graphics, DDR4 memory and more, all optimally cooled via Lenovo's Coldfront cooling system.

<sup>1</sup> Embargo April 23, 2019.

<sup>2</sup> Available in Spring 2019.

<sup>3</sup> Available over headphones.

<sup>4</sup> The actual transfer speed of the USB 3.1 Gen 1 will vary and, depending on many factors, such as the processing capability of host and peripheral devices, file attributes and other factors related to system configuration and your operating environments, will be slower than a speed of 5 Gbit/s.

<sup>5</sup> Except Japan, India and China.

## LENOVO SERVICES

### Warranty Upgrades - On-site / In-Home Service

Maximizes PC uptime and productivity by providing convenient, fast repair services in your own home.

### Accidental Damage Protection

Avoid the hassles of unexpected repair costs. Provides coverage for non-warranted damage incurred under normal operating conditions, such as minor spills, drops or damage to the integrated screen.

### Warranty Extensions

#### (1-to-3 Years Total Duration)

This fixed-term, fixed-cost service helps accurately budget for PC expenses, protect your valuable investment and potentially lower the cost of ownership over time.

## OPTIONS & ACCESSORIES
