HOW TO PLAY

The Object: Slide the Yellow Taxi Cab "X" through the exit to freedom!

Set Up: Select a challenge card and place the cars and trucks on the traffic grid as indicated by the illustration.

To Play: Slide the blocking cars and trucks in their lanes—up and down, left and right—until the path is clear for the Yellow Taxi Cab to escape. Vehicles can only slide forward & backward, not sideways.

One Rule: No lifting the cars or trucks off the traffic grid surface. Stay in your lanes!

If You're Stuck: Just dump the pieces out of the grid and start over.

If Your Brain Stalls: The complete move sequence solution is printed on the back of each challenge card.
