

CHERRY STREAM MOUSE ULTIMATE

The ultimate mouse for professionals who demand more. Ergonomics, precision, and multi-device flexibility – all in one professional tool.

Models may vary from the image shown

The CHERRY STREAM MOUSE ULTIMATE features the innovative CHERRY ProScroll wheel, offering customizable scrolling modes – tactile, smooth, or fast – for unmatched precision in tasks like CAD, code editing, or document navigation. With multi-device support via two Bluetooth® 5.2 channels, 2.4 GHz wireless, and USB cable, switching between devices is effortless at the push of a button. Designed for right-handed users, it combines ergonomic comfort, a 7-button layout, and a thumb rest for fatigue-free productivity. A high-precision sensor with adjustable DPI, built-in status LEDs, and AES-128 encryption in both Bluetooth® and 2.4 GHz modes, ensures secure, responsive performance across all platforms. Sustainability and style come together in its durable housing, made from recycled plastic and finished with premium copper accents.

FUNCTION AND PERFORMANCE

- CHERRY ProScroll: Customizable scroll wheel with tactile, smooth, or fast scrolling options.
- Maximum connectivity: Two Bluetooth® 5.2 channels, 2.4 GHz wireless, and wired mode
- Ergonomic design for right-handed use: 7-button layout with non-slip thumb rest and modern Voronoi texture.

- Precision control: Adjustable sensor with four DPI levels – up to 4,000 dpi.
- Quiet operation: Whisper-silent clicks for distraction-free work.
- Smart status indicators: LEDs display battery level, DPI setting, and scroll wheel preset.
- Charge while you work: Detachable USB-A to USB-C cable for charging and data transfer.
- Advanced data security: AES-128 encryption in wireless and Bluetooth® modes.
- Sustainability meets design: Durable housing made with high recycled content and premium copper accents.

TECHNICAL DATA

Weight main product:	121 g
