

# HP Laptop 15s-eq1262ng (20S02EA)

## Overview

### Power through your day

Stay connected to what matters most with long-lasting battery life and a thin micro-edge bezel design. Built to keep you productive and entertained from anywhere, the HP 39.6 cm (15.6") Laptop features reliable performance and an expansive display, so you can stream, surf and speed through tasks.

### View more, carry less

Thin, light, and designed to travel. See more of your photos, videos and projects on a 6.5 mm micro-edge bezel display.

### Go longer, faster

Long-lasting battery life and HP Fast Charge technology lets you work, watch, and stay connected all day. Integrated precision touchpad with multi-touch support speeds up navigation and productivity.

### Reliable performance

Tackle your busiest days with the performance of a reliable processor. Save more of what you love with abundant storage for all your photos, videos and documents.

## Features

### AMD Ryzen™ 7 Processor

Tap into truly impressive notebook performance. A revolutionary new architecture with amazing battery life that delivers exceptional multi-threaded processing and Vega graphics for intensive multimedia tasks.<sup>[2]</sup>

### AMD Radeon™ graphics

Whether it's games or movies, experience high performance for all your entertainment.

### Full HD display

Sit back and enjoy crystal-clear visuals and images with the vibrant quality of 2 million pixels. The 1920 x 1080 resolution gives all your digital content a new dimension.<sup>[3]</sup>

### Anti-glare panel

Enjoy the sun and your favorite content with this anti-glare panel. Non-reflective and low gloss means you'll get less glare while you're outside.

### Liberating battery life

Take on your day without worrying about recharging. With up to 8 hours of battery life, you can work, watch more, and spend more of your time totally untethered.<sup>[4]</sup>

### PCIe SSD storage

Boot up in seconds with lightning fast speed with up to 512 GB PCIe SSD storage.

---

*[2] Multi-core is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. Performance and clock frequency will vary depending on application workload and your hardware and software configurations. AMD's numbering is not a measurement of clock speed.*

*[3] Full high-definition (FHD) content is required to view FHD images.*

*[4] Battery life will vary depending on various factors including product model, configuration, loaded applications, features, use, wireless functionality, and power management settings. The maximum capacity of the battery will naturally decrease with time and usage. See <https://bapco.com/products/mobilemark-2018/> for additional details.*

| Display size (diagonal)        | 39.6 cm (15.6")                                                                                                                                        |
| Audio features                 | Dual speakers                                                                                                                                          |
| Minimum dimensions (W x D x H) | 35.85 x 24.2 x 1.79 cm<br>(Dimensions vary by configuration)                                                                                           |
| Weight                         | 1.69 kg<br>(Weight varies by configuration)                                                                                                            |
| Keyboard                       | Full-size, natural silver keyboard with numeric keypad                                                                                                 |
| Pointing device                | Imagepad with multi-touch gesture support; Precision Touchpad Support                                                                                  |
| Webcam                         | HP True Vision 720p HD camera with integrated dual array digital microphones                                                                           |
| Ports                          | 1 SuperSpeed USB Type-C® 5Gbps signaling rate; 2 SuperSpeed USB Type-A 5Gbps signaling rate; 1 HDMI 1.4b; 1 AC smart pin; 1 headphone/microphone combo |
| Expansion slots                | 1 multi-format SD media card reader                                                                                                                    |
| Package dimensions (W x D x H) | 6.9 x 30.5 x 52 cm                                                                                                                                     |
| Package weight                 | 2.21 kg                                                                                                                                                |
| Wireless                       | Realtek RTL8821CE 802.11a/b/g/n/ac (1x1) Wi-Fi® and Bluetooth® 4.2 combo                                                                               |
| Power supply type              | 45 W Smart AC power adapter                                                                                                                            |
| Battery type                   | 3-cell, 41 Wh Li-ion                                                                                                                                   |
| Battery life                   | Up to 8 hours and 15 minutes <sup>[3]</sup>                                                                                                            |

**Battery recharge time**

Supports battery fast charge: approximately 50% in 45 minutes<sup>[5]</sup>

**Battery weight**

210 g

**UPC number**

195122680046

**Warranty**

1 year limited parts, labour, and pickup and return service

**Limited warranty coverage and exceptions**

You can expand the warranty coverage of your product to reach up to 3 years in total; for more information go to the "Options and accessories" web section on [hp.com](http://hp.com) product pages.

[3] Windows 10 MobileMark 18 battery life will vary depending on various factors including product model, configuration, loaded applications, features, use, wireless functionality, and power management settings. The

maximum capacity of the battery will naturally decrease with time and usage. See <https://bapco.com/products/mobilemark-2018/> for additional details.

[5] Recharges your battery up to 50% within 45 minutes when the system is off (using "shut down" command). Recommended for use with the HP adapter provided with the notebook, not recommended with a smaller capacity battery charger. After charging has reached 50% capacity, charging speed will return to normal speed. Charging time may vary +/-10% due to System tolerance. Available on select HP products. See <http://store.hp.com> for a full list of product features.

[6] Multi-core is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. Performance and clock frequency will vary depending on application workload and your hardware and software configurations. AMD's numbering is not a measurement of clock speed.

[7] Max Boost clock frequency performance varies depending on hardware, software and overall system configuration.
