

FORTIS Series

Extreme Performance DDR4 Memory

Product Name	G.SKILL FORTIS Series DDR4 2400MHz 32GB(8GBx4) Memory Kit
Model Number	F4-2400C17Q-32GFT
EAN Code	4719692015709
UPC Code	0848354025702
SKU Live Date	-

Overview

Strengthen your AMD Ryzen rig with the G.SKILL FORTIS series DDR4 gaming memory! Designed specifically for the AMD platform, this powerful memory kit is the perfect addition to any AMD DDR4-compatible platform with rock solid stability and exceptional performance!

Features

- Designed and tested for AMD Ryzen
- Optimized compatibility with AMD X370, B350, and A320 chipset
- Cost-effective solution for gaming rigs
- 1.20V ultra low voltage

FORTIS Series

Extreme Performance DDR4 Memory

Technical Specification

Memory Type	DDR4	Tested Speed	2400MHz (PC4-19200)
Registered/Unbuffer	Unbuffered	Tested Latency	17-17-17-39
Module Type	UDIMM	Tested Voltage	1.2V
Error Checking	Non-ECC	SPD Speed	2400MHz (PC4-19200)
Capacity	32GB(8GBx4)	SPD Latency	17-17-17-39
Multi-Channel Kit	Dual Channel	SPD Voltage	1.2V
Pin Count	288	XMP Support	-
Fan Included	No	Profile 1	-
Warranty	Limited Lifetime	Profile 2	-

Compatibility

Chipset*	AMD X370 / B350 / A320
CPU*	AMD Ryzen (AM4)

Shipping

Module Height	31mm / 1.22in	Product Dimension	6.3 x 5.5 x 0.67in
Module Weight	-	Product Weight	96g / 0.21lbs
Country of Origin	Taiwan
